Thank you for your enquiry regarding membership of the HSV Owners Club of Qld. Inc.

Our Club is the oldest Club in Australia catering for the owners of HDT and HSV improved vehicles, having been formed in 1982 by the owners of the first HDT improved VC Commodores, which quickly became known as "Brock Commodores". The Club will celebrate its 30th Anniversary in November 2012.

Full membership of the HSV Owners Club of Qld Inc, is restricted to the owners of HDT improved vehicles of General Motors origin which are I.D. plated, or are eligible for same and the owners of HSV improved Commodore or Statesman models which are I.D. plated (subject to by-laws). Associate membership is also available subject to the provisions of the Club's constitution and by-laws.

The average yearly membership of the Club is around 150+ members.

As a Club we participate in Motorsport Days and Motorkhanas, hone our owners' driving skills at Advanced Driving Schools, compete at All Holden days and other car shows, have convoy runs to interesting destinations, sausage sizzles, weekends away, evenings out and attendance at the Queensland Round of the V8 Supercars.

The Club has a general meeting every second month at a HSV Dealership in Brisbane.

Members receive an informative magazine each month.

The Club has its own website at: www.hsvowners.com.au which contains a great deal of information together with a photo gallery of past Club events.

You will find that joining the Club is another avenue to explore and to further enjoy the ownership of your HDT or HSV improved vehicle.

We look forward to receiving your completed Membership Application¹.

Should you require any further information please contact any of the following Committee members or check out our website.
